SB 167 Engrossed	DIGEST 2025 Regular Session	Foil
------------------	--------------------------------	------

Present law provides that the contract limit for any contract by a public entity to restore or rehabilitate a levee which is not maintained with federal funds or to perform mitigation on public lands owned by the state or a political subdivision shall be equal to the sum of \$1,000,000, including labor, materials, and equipment, which is not publicly bid, as per the rates in the latest edition of the Associated Equipment Distributors Rental Rate Book.

Present law further provides administrative overhead cannot exceed fifteen percent; provided that the work is undertaken by the public entity with its own resources and employees, or with the resources and employees of another public entity through a cooperative endeavor or other agreement with another entity.

Proposed law retains present law and increases the annual limit not to exceed \$1,500,000.

Proposed law changes the sunset date on the provisions of the contract amount limits for levee rehabilitation under certain requirements from December 31, 2028 to June 30, 2036.

Effective August 1, 2025.
