HOUSE FLOOR AMENDMENTS

2025 Regular Session

Amendments proposed by Representative Jacob Landry to Engrossed House Bill No. 692
by Representative Jacob Landry

1 AMENDMENT NO. 1

2 On page 1, line 14, after "lowest" and before "cost" insert "reasonable"

3 AMENDMENT NO. 2

4 On page 2, delete lines 3 through 6 in their entirety and insert the following:

5 "(4) "Reliable" shall mean a source of electricity that contributes to the
6 stability, adequacy, and operability of the power generation asset, accounting for the
7 resource's design role, responsiveness to dispatch, contribution to voltage or
8 frequency regulation, and ability to perform during grid stress events. Reliability
9 shall not be defined solely by availability or forced outage metrics, but rather by a
10 resource's capacity to fulfill its intended operational function within the portfolio,
11 including both baseload and flexible, fast-ramping assets."

12 AMENDMENT NO. 3

13 On page 2, at the end of line 25, insert "This Section does not apply to advanced nuclear
14 resources or advanced nuclear generation."

15 AMENDMENT NO. 4

16 On page 3, line 5, after "must" and before the colon ":" delete "demonstrate"

17 AMENDMENT NO. 5

18 On page 3, line 6, after "(a)" and before "stable" change "A" to "Enable a"

19 AMENDMENT NO. 6

20 On page 3, at the beginning of line 9, change "one hour" to "a reasonable period of time"

21 AMENDMENT NO. 7

22 On page 3, delete lines 10 and 11 in their entirety and insert the following:

23 "(b) Complement the balance of energy resources on the electrical grid in
24 such a way as to optimize the balance of energy resources with respect to the needs
25 of the grid."
