

CONFERENCE COMMITTEE REPORT

SB 26

2025 Regular Session

Boudreaux

June 11, 2025

To the Honorable President and Members of the Senate and to the Honorable Speaker and Members of the House of Representatives.

Ladies and Gentlemen:

We, the conferees appointed to confer over the disagreement between the two houses concerning Senate Bill No. 26 by Senator Boudreaux, recommend the following concerning the Engrossed bill:

1.
- That the House Committee Amendments (#3200) proposed by the House Committee on Health and Welfare and adopted by the House of Representatives on May 22, 2025, be rejected.
2.
- That the Legislative Bureau Amendments (#2048) proposed by the Legislative Bureau and adopted by the House of Representatives on May 22, 2025, be rejected.
3.
- That the House Floor Amendment (#3748) proposed by Representative Crews and adopted by the House of Representatives on May 29, 2025, be rejected.

Respectfully submitted,

Senators:

Representatives:

Senator Gerald Boudreaux

Representative Dustin Miller

Senator Patrick McMath

Representative Raymond J. Crews

Senator Katrina R. Jackson-Andrews

Representative Joseph A. Stagni

CONFERENCE COMMITTEE REPORT DIGEST

SB 26

2025 Regular Session

Boudreaux

Keyword and summary of the bill as proposed by the Conference Committee

PUBLIC HEALTH: Provides relative to diabetes information. (8/1/25)

Report rejects House amendments which would have:

1. Added a requirement for the state Dept. of Education to report certain information regarding students diagnosed with Type 1 diabetes to the La. Dept. of Health.
2. Made technical changes.

Digest of the bill as proposed by the Conference Committee

SB 26 Engrossed

2025 Regular Session

Boudreaux

Proposed law requires the La. Dept. of Health to develop and provide certain type 1 diabetes information to the Dept. of Education.

Proposed law requires the Dept. of Education to provide the information to each city, parish, and local public school board.

Proposed law requires a recommendation that a parent or guardian of a student displaying warning signs with type 1 diabetes or positive early detection screening results should immediately consult the primary care doctor to develop a treatment plan.

Proposed law requires the school boards to distribute the information to parents and legal guardians of all prekindergarten and K-12 students upon enrollment and annually thereafter by posting on school websites or by electronic distribution.

Effective August 1, 2025.
