1. Removes provisions of proposed law that provide that all authorizations for labor organization dues or fees are only valid for a year and require such authorizations to be renewed annually.
2. Removes provision of proposed law that provides that any prior authorization of salary deductions for labor organization dues or fees is deemed invalid.
3. Removes prohibition that prevents an employer from deducting labor organization dues or fees once an authorization becomes invalid.

Proposed law provides that proposed law shall apply prospectively to any new collective bargaining agreement or contract that is entered into or any existing collective bargaining agreement that is modified, extended, or otherwise affected by a new or modified memorandum of understanding.

Proposed law requires a state, parish, city, local or charter school board, or any other governmental agency, to notify the employee of his right to cease payment of member organization dues or fees. Proposed law further requires the aforementioned entities to provide written or email notification, at least annually, to the employee to inform him that he can withdraw from the organization.

Proposed law provides that all authorizations shall be on a form prescribed by the attorney general and contain the following statement in 14-point boldface font.

"The state of La. wishes to inform you that you have a First Amendment right to join or refrain from joining and paying dues or fees to a labor organization. Membership and payment of dues or fees are voluntary, and you may not be discriminated against for your decision or your refusal to join or financially support a labor organization. You may authorize your employer to deduct union dues or fees from your salary in the amounts specified in accordance with the labor organization's bylaws. You may revoke this authorization at any time."

Proposed law requires all authorizations to be submitted to the employer and contain the employee's full name, position, employee organization, and signature.

Proposed law requires, before starting any deductions, the employer to confirm the authorization by emailing the employee at his employer-provided email address and the employer shall wait for confirmation of the authorization before deducting any union dues or fees.

Proposed law provides that if the employee does not possess an employer-provided address, then the employer may use other means it deems appropriate to confirm the authorization.

Proposed law requires a labor organization or union to cover administrative costs incurred from the collection of labor organization dues or fees or costs incurred from an employee opting out of the collection of labor organization dues or fees.

Proposed law exempts law enforcement and firefighter services from the applicability of proposed law.

PUBLIC EMPLOYEES

Present law provides that any state, parish, or city employee may authorize his employing department, board, or agency to withhold from his salary a specific amount for the designated pay periods for payment of labor organization dues.

Proposed law retains present law.

Proposed law provides that upon submission of a written or electronic request to the employer, the employee shall have the right to immediately cease the withholding of dues or fees from his wages. Proposed law further provides, upon receipt of a request to withhold, the employer shall immediately provide written or electronic notification to the labor organization or union of the employee's decision.

Proposed law requires, upon receipt of the notification required by proposed law, the employer to cease any withholding of dues or fees from the employee's wages. Proposed law provides that the employee shall not accrue any further debt to the labor organization or union, and that his right to immediately discontinue any financial obligation to the labor organization or union shall not be waived.

Proposed law prohibits an employer from deducting dues or fees without a valid authorization.

Proposed law provides that proposed law shall apply prospectively to any new collective bargaining agreement or contract that is entered into or any existing collective bargaining agreement that is modified, extended, or otherwise affected by a new or modified memorandum of understanding.

Proposed law requires the employer to provide written or email notification, at least annually, advising the employee of his right to cease payment of organization dues or fees and to withdraw membership from the labor organization or union.

Proposed law provides that all authorizations shall be on a form prescribed by the attorney general and contain the following statement in 14-point boldface font.

"The state of La. wishes to inform you that you have a First Amendment right to join or refrain from joining and paying dues or fees to a labor organization.
