

RÉSUMÉ DIGEST

HCR 68

2025 Regular Session

McMakin

Urges and requests the Dept. of Transportation and Development (DOTD) to study the feasibility of and taking appropriate steps to expand the I-10 ramp East off-ramp on Siegen Lane by adding a third lane to improve traffic flow and enhance public safety. Requires the DOTD to submit a written report summarizing its findings to the House and Senate Transportation, Highways and Public Works committees by Aug. 1, 2026.
