

2026 Regular Session

HOUSE RESOLUTION NO. 42

BY REPRESENTATIVE DICKERSON

A RESOLUTION

To commend women for the critical role they play in the chemistry industry and other industries in Louisiana.

WHEREAS, Louisiana's industrial sector drives the state's economic growth and job creation, and women are leading the way; and

WHEREAS, women are shaping industry and building upon Louisiana's rich energy history to pave the way for a cleaner, greener, and more diverse future; and

WHEREAS, women of every race, class, and ethnic background have made significant contributions to the growth and strength of the state of Louisiana and continue to play critical economic, cultural, and social roles by contributing to the labor force; and

WHEREAS, the Louisiana chemistry industry promotes the employment and advancement of skilled women in the industry and benefits the state of Louisiana through community development and educational programs; and

WHEREAS, the Louisiana chemistry industry provides thousands of high-paying jobs to women, including governmental relations professionals, engineers, operators, process safety and human resources professionals, contractors, construction workers, and many more; and

WHEREAS, the women in Louisiana industry are most deserving of the highest recognition for paving the way for future generations of women to succeed and advance the reputation of the state's industrial sector.

THEREFORE, BE IT RESOLVED that the House of Representatives of the Legislature of Louisiana does hereby commend women for the critical role they play in the chemistry industry and other industries in Louisiana and does hereby extend enduring appreciation for their contributions to the state's economic, social, and cultural development.
