SB 452 Original

DIGEST  
2026 Regular Session

Wheat

Present law authorizes Conservation and Energy to issue coastal use permits for certain activities that occur within the coastal zone, including construction and dredging.

Proposed law retains present law and prohibits issuance of coastal use permits on Lake Maurepas, except for construction and maintenance of a wharf, pier, dock, landfill, or other structure, repair and maintenance of an existing pipeline or well, or dredging operations.

Effective August 1, 2026.
