Provides relative to notification of inmates released from a parish prison or jail

Current law provides for the reporting of escapes from parish prison facilities or jails. Proposed law adds a notification requirement for inmates who are improperly released; provides that the sheriff, highest ranking employee of the sheriff's office, or person acting on behalf of the sheriff who is physically present at and in charge of the parish prison or jail at the time of the improper release of an inmate from that facility shall immediately notify or take necessary steps to ensure that notification of improper release is provided to the appropriate law enforcement agency, the victim of the crime for which the inmate was imprisoned, any known witness (regardless if he testified against the inmate in any court proceeding involving the offense), or any person specified in writing by the prosecuting district attorney; provides for the definition of improper release.
