

## RÉSUMÉ DIGEST

**ACT 232 (SB 26)**

**2026 Regular Session**

**McMath**

Prior law required the La. Dept. of Health to utilize facility need review to determine the need for new or additional opioid treatment programs licensed under a behavioral health services provider license.

New law repeals prior law.

Prior law further prohibited the department from licensing any opioid treatment programs unless the department determined that there is a need for another opioid treatment program in a certain geographic location, pursuant to criteria and processes established by the department.

New law repeals prior law.

Effective May 15, 2026.

(Repeals R.S. 40:2116(B)(5) and 2159)
