

RÉSUMÉ DIGEST

HR 188	2026 Regular Session	Butler
---------------	-----------------------------	---------------

Memorializes the U.S. Congress to oppose any provision in the federal Farm Bill, or any other federal legislation or regulation, that would prohibit, restrict, or undermine lawful hunting, including hunting with dogs, field trials, dog training, or the use of working dogs in traditional sporting activities and urges Louisiana's congressional delegation to protect the culture, heritage, and rights of sportsmen and women.
