

RÉSUMÉ DIGEST

ACT 557 (HB 557)

2026 Regular Session

Dewitt

New law defines long-term care pharmacy as a pharmacy that serves residents of a long-term care facility, as defined in the Older Americans Act, 42 U.S.C. 3002(35), and has a national provider identifier associated with taxonomy code 3336L0003X, or any equivalent or successor classification recognized by federal healthcare authorities.

Effective August 1, 2026.

(Adds R.S. 37:1259)
