Subject: Louisiana Citizens Property Insurance Corporation		

INSURANCE/PROPERTY OR +\$50,000 SG EX See Note Page 1 of 2
Creates the Louisiana Citizens Property Insurance Corporation to operate and manage the FAIR and Coastal plans

Present law provides for the FAIR plan and Coastal plan, provides for the purpose and functions of each plan, provides for the power and duties of governing committees, provides for the participants in the plans, and provides for assessments.

Proposed legislation creates a nonprofit entity called the Louisiana Citizens Property Insurance Corporation to manage both the FAIR and Coastal plans. This measure further provides for the following: 1) a 15 member board of directors of the corporation comprised of specified members to serve as the governing body of the corporation; 2) provides for the powers and duties of the corporation, including issuing insurance policies eligible applicants, purchase reinsurance on risks, issue bonds or other indebtedness, retain profits or reserves to offset deficits incurred by the plan, and take all actions necessary to facilitate and maintain tax-free status for the income and operations of the corporation, plans, and bonds or other indebtedness issued on behalf of the corporation; CONTINUED ON PAGE 2

Local Funds	\$0	\$0	\$0	\$0	\$0	\$0
Annual Total	\$0	\$0	\$0	\$0	\$0	\$0

EXPENDITURE EXPLANATION:

It is the judgment of the DOI that consulting services will be required for annual reviews of the plan of operation of the Louisiana Citizens Property Insurance Corporation (LCPIC) by the Louisiana Insurance Rating Commission and the Department of Insurance (DOI). These reviews include review of operating procedures and facilities, management of the corporation, procedures for assessment of assessable insurers and insureds to defray deficits in one or more of the plans, underwriting standards, procedures for the purchase and cession of reinsurance, procedures for determining the amounts of insurance to be provided to specific risks, and procedures for processing applicants for insurance. These annual costs are anticipated to be small.

There are no additional costs to the state related to the establishment of the Louisiana Citizens Property Insurance Corporation (LCPIC). The LCPIC will allow the FAIR and Coastal Plan to continue as a residual market. Members of the board may be reimbursed from the assets of the corporation for expenses incurred (meals, mileage). Similarly, expenses of the corporation (employees and operational costs) will be funded from the assets, or revenue collected, of the corporation. The state will not budget for or provide general fund appropriations to the corporation, and the debts, claims, obligations, and liabilities of the corporation are not considered to be a debt of the state.

REVENUE EXPLANATION:

The corporation shall be considered a political instrumentality of the state, and shall be exempt from any corporate state income tax. Also, any bonds issued by or on behalf of the corporation and the plans, and the income from them, is free from taxation of any kind by the state. It is also the intent of the legislature that the income of the corporation be exempt from federal income taxation and that interest on the debt obligations issued by the corporation be exempt from federal income taxation.

Under current law, refunds have been made to insurers if estimated claims are not reached, which could potentially be subject to corporate income taxes if those funds were considered additional profit. Under proposed law, the LCPIC will retain all funds assessed for potential future losses. The amount of taxes forgone to the state as a result of this measure is indeterminable. It is the judgment of the Department of Insurance that this impact will be small, if any at all.

Senate

- ☐ 13.5.1 >= \$500,000 Annual Fiscal Cost
- ☐ 13.5.2 >= \$500,000 Annual Tax or Fee Change

House

- ☐ 6.8(F) >= \$500,000 Annual Fiscal Cost
- ☐ 6.8(G) >= \$500,000 Tax or Fee Increase or a Net Fee Decrease per year
