HB No. 1236

Abstract: Requires DPS&C to suspend the driver's license of drivers who prematurely remove an ignition interlock device installed as a condition of reinstated driving privileges.

Proposed law requires DPS&C to suspend the driver's license of drivers who prematurely disable an ignition interlock device installed as a condition of reinstated driving privileges.

Proposed law provides that the suspension shall last until the driver provides proof that the ignition interlock has been reinstalled and applicable reinstatement fees have been paid.
