

(KEYWORD, SUMMARY, AND DIGEST as amended by Senate committee amendments)

MTR VEHICLE/DRIVER LIC. Provides for suspension of driver's license upon premature removal of ignition interlock device.

DIGEST

Proposed law requires DPS&C to suspend the driver's license of drivers who prematurely disable an ignition interlock device installed as a condition of reinstated driving privileges.

Proposed law provides that the suspension shall last until the driver provides proof that the ignition interlock has been reinstalled and applicable reinstatement fees have been paid.

Proposed law provides that upon reinstatement, the driver will receive credit only for the time period when the ignition interlock device was installed and functioning.
