DIGEST

Present law provides for the establishment of the La. Political Museum and Hall of Fame ("museum") in the town of Winnfield of Winn parish and places it under the overall jurisdiction of the Dept. of Culture, Recreation, and Tourism.

Present law provides that the office of state museum in the Dept. of Culture, Recreation and Tourism is responsible for the custody, administration, management, operation, maintenance, and preservation of the museum. Proposed law transfers the overall jurisdiction of the museum from the office of state museum in the Dept. of Culture, Recreation, and Tourism to the secretary of state within the Dept. of State.

Present law creates the advisory board ("board") of the museum within the Dept. of Culture, Recreation, and Tourism. Provides for membership and appointment of board members by the lieutenant governor and requires the board to advise the lieutenant governor on all matters relating to the operations of the museum. Authorizes the board to enter into contracts with experts in certain fields in order to carry out the purposes of the museum.

Proposed law transfers the provisions relating to the Dept. of Culture, Recreation, and Tourism to the Dept. of State, and transfers authority from the lieutenant governor to the secretary of state.

Present law provides that museums of local interest include the La. Political Museum and Hall of Fame, the La. Forestry Museum, and the Winn Parish Museum under the jurisdiction of the office of the state museum of the Dept. of Culture, Recreation. Proposed law removes the La. Political Museum and Hall of Fame.

Present law requires the Dept. of Culture, Recreation and Tourism to include a request for funds necessary to support the museum in its annual budget request, and requires the governor to include in his executive budget submitted to the legislature sufficient funding to support the operations and maintenance of the museum and its exhibits.

Proposed law replaces the Dept. of Culture, Recreation and Tourism with the Dept. of State and authorizes, rather than requires, the Dept. of State to include in its annual budget a request for funds necessary to support the museum, and further authorizes, rather than requires, the governor to include in his executive budget sufficient funding for the support of operations and maintenance of the museum and its exhibits.

Proposed law requires that funds appropriated by the legislature to the Dept. of State for operation of the La. Political Museum and Hall of Fame be used solely for the operation and maintenance of the museum and its exhibits, and requires that no administrative costs be charged by the Dept. of State for any services associated with placement of the museum within its

jurisdiction.

Proposed law (R.S. 25:380.147) provides for the administration of the museum and authorizes the secretary of state to:

- (1) Establish policies, rules, and regulations for the operation of the museum in accordance with the Administrative Procedure Act.
- (2) Authorize reports and recommendations which include the issuance, publication, or distribution of general information documents or pamphlets which are published on a regular basis and are generally known as newsletters.
- (3) Employ, appoint, remove, and fix the term, compensation, and responsibilities of employees, including, but not limited to, a museum director and a curator.

Proposed law (R.S. 36:801.21) places the La. Political Museum and Hall of Fame and its advisory board within the Dept. of State and requires the board to exercise all advisory powers, duties, and functions provided for it. Further requires the board to administer and implement all programs authorized by law.

Proposed law requires the secretary of state to be responsible for the performance and administration of the day-to-day operations of the museum, and those museum matters which are in the nature of accounting, payroll, budget control, procurement, data processing, and personnel management. Further requires the secretary of state to employ, appoint, fix the compensation of, remove, assign, and promote such personnel as is necessary for the efficient administration of the museum in accordance with civil service laws, rules, and regulations.

Proposed law authorizes the board, in cooperation with any nonprofit corporation established to support the museum and hall of fame, to solicit and accept gifts and donations for the purposes of the museum, and authorizes any funds accepted on behalf of the museum to be expended by the board, the nonprofit corporation, or the Dept. of State.

Proposed law provides for no records, books, or papers stored in the museum or on museum premises to be removed or transferred from the museum without the approval of the board.

Effective July 1, 2011. Requires the Dept. of State, the secretary of state, the Dept. of Culture, Recreation and Tourism, and the Friends of the La. Political Museum and Hall of Fame to take actions prior to July 1, 2011, necessary to implement the Act on July 1, 2011.

Proposed law provides that no action be taken under the provisions of proposed law until all debts or other obligations which are secured by or otherwise encumber any property to be transferred to the Dept. of State have been paid or otherwise removed from such property.

Proposed law further provides that if the transfer provided for in proposed law is not made within 4 years of July 1, 2011, proposed law shall be null and void and of no effect. Further provides

that the Act shall become effective upon the effective date of a legislative appropriation of funds to finance the provisions of the Act.
