Provides relative to acquisition of property for wetlands mitigation associated with the Comite River Diversion Project

Present law provides that no funds of the state nor of any political subdivision or political corporation of the state shall be used nor provided to the U.S. or any of its agencies, by contract, agreement, a required contribution of a project cost-share, or otherwise, for the expropriation of property for the purpose of wetlands mitigation or other natural habitat, in association with the Comite River Diversion Project. Proposed law provides that when land is acquired from any person for mitigation associated with the Comite River Diversion Project, such acquisition shall be only the minimum real property interest in said property that is necessary to support or fulfill the mitigation requirements of the project or project agreements, or that which is necessary to comply with any applicable state or federal statutes, laws, rules, or regulations. Property acquired by the state or any political subdivision or political corporation of the state or the U.S. or any of its agencies, by contract, agreement, required project cost-share, or otherwise shall be sujbect to a conservation servitude. Shall not apply in cases where property is acquired through a mitigation bank for purposes of compensatory mitigation.

EXPENDITURE EXPLANATION

The proposed legislation allows for the acquisition of property for mitigation associated with the Comite River Diversion Project. The purchase of such lands will be funded through state funds and the associated local match. Funding is currently included in HB 2 for this purpose in the amount of $13.5 M through the Department of Transportation and Development (General Obligation Bonds), in addition to a $6 M local match. Approximately 1,700 acres of land are expected to be acquired for mitigation purposes.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
