Abstract: Removes the June 30, 2012, termination date for levying a tax of four-twentieths of one cent per cigarette, making that portion of the tax permanent, and provides for the use of the avails of the tax.

<u>Present law</u> provides for the levy of a tax upon the sale, use, consumption, handling, or distribution of all cigars, cigarettes, and smoking and smokeless tobacco in La.

<u>Present law</u> levies a tax on cigarettes at the rate of .36¢ per pack. However, authorization for the levy of a tax of four-twentieths of one cent per cigarette is set to terminate on June 30, 2012.

<u>Proposed law</u> retains <u>present law</u> but removes the June 30, 2012, termination date for levying the tax of four-twentieths of one cent per cigarette, making the levy of this portion of the tax on cigarettes permanent.

<u>Proposed law</u> requires the revenues derived from the tax imposed pursuant to <u>proposed law</u> to be deposited into the state general fund and shall be available exclusively for the support of expenditures for the direct provision of health care services which are eligible for federal financial participation. Further provides that if insufficient federal financial participation is available to support such services in any fiscal year, these monies may be appropriated to support state programs to provide for the services.

<u>Proposed law</u> requires the secretary of the Dept. of Revenue, on the last day of Nov. of each year, to provide to the chairman of the JLCB and the commissioner of administration, an official estimate of the amount of state revenues received within the previous 12 months derived from the tax imposed pursuant to <u>proposed law</u>.
