Richardson HB No. 374

Abstract: Grants elected police chiefs in municipalities governed by the Lawrason Act the authority to effect disciplinary action, dismiss police personnel, and to make provisional appointments to fill vacancies in the police department. Provides limitations and exceptions.

Present law provides that in a municipality governed by the Lawrason Act, the marshal shall be chief of police and shall be an ex officio constable. Provides that the police chief has the general responsibility for law enforcement in the municipality and is charged with the enforcement of all ordinances within the municipality and all applicable state laws. Requires that the police chief perform all other duties required of him by ordinance.

Proposed law retains present law.

Present law requires the elected police chief in municipalities governed by the provisions of the Lawrason Act to make recommendations to the mayor and board of aldermen for the appointment of police personnel, promotion of officers, to effect disciplinary action, and for dismissal of police personnel. Requires that nominations or recommendations be made regardless of race, color, disability, or creed.

Proposed law instead authorizes elected police chiefs to immediately effect disciplinary action and to dismiss police personnel subject to the approval of the municipal governing authority. Requires the municipal governing authority to deliberate any action or dismissal at the first special or regular meeting of the governing authority after a determination is made by the police chief. Proposed law otherwise retains present law requirements that the police chief make recommendations to the mayor and board of aldermen for the appointment of police personnel and the promotion of officers. Proposed law additionally retains present law requirement relative to nominations or recommendations being made regardless of race, color, disability, or creed.

Proposed law additionally authorizes the elected police chief to make provisional appointments to immediately fill vacancies in the police department subject to the approval of the mayor of the municipality. Requires the municipal governing authority to deliberate any action taken by the police chief at the first special or regular meeting of the governing authority after any provisional appointment is approved by the mayor. Provides that a provisional appointment shall remain in effect unless rejected by the governing authority of the municipality.

Proposed law provides an exception for the elected police chief in any municipality with a

population of not less than 1,000 persons and not more than 1,005 persons. Authorizes the elected police chief in any such municipality to effect disciplinary action on police personnel without the approval of the governing authority of the municipality. Additionally authorizes the elected police chief to appoint police personnel, including the authority to make provisional appointments, subject to the budgetary limitations of the police chief pertaining to the number of allotted positions for the police department. Requires that all appointments be subject to the concurrence of the mayor.

Effective upon signature of governor or lapse of time for gubernatorial action.
