HOUSE CONCURRENT RESOLUTION NO. 129

BY REPRESENTATIVE MICHAEL JACKSON

**HIGHER ED/BD REGENTS:** Directs Board of Regents to restore funding of LOUIS to at least the percentage provided for in FY 2009-2010 and expresses support for LOUIS as a critical component of the success of public postsecondary education institutions

## 1 A CONCURRENT RESOLUTION

2 To direct the Board of Regents to restore its funding of LOUIS, the Louisiana Library  
3 Network, to at least the percentage provided for in Fiscal Year 2009-2010 and to  
4 express support for LOUIS as a critical component of the success of the state's public  
5 postsecondary education institutions.

6       WHEREAS, LOUIS, the Louisiana Library Network, provides essential information,  
7       resources, and services to the public postsecondary education institutions of the state; and

8           WHEREAS, in 1992, LOUIS was formed in response to shrinking library funding  
9   in the effort to equalize technology and resources in academic libraries across the state, and  
10 since then, LOUIS has contributed significantly to the success of the state's public  
11 postsecondary education institutions as well as museums and archives; and

12 WHEREAS, LOUIS provides around-the-clock technology and enterprise solutions  
13 to students, faculty, and staff so that scholarly materials can be purchased, identified,  
14 searched, and shared; and

15 WHEREAS, the essential resources and services that LOUIS offers include the  
16 library automation system and catalogs of library collections, electronic research databases  
17 and full-text journals, remote access to library resources twenty-four hours a day,  
18 interlibrary loan and reciprocal borrowing among all member libraries, and the Louisiana  
19 Digital Library, as well as centralized servers and an expert support staff; and

1 WHEREAS, LOUIS, a proven model of how to collaborate and consolidate, reduces  
2 duplication and saves the state millions of dollars annually; and

3 WHEREAS, LOUIS purchased more than nineteen million dollars worth of resources  
4 for member libraries in 2010 for only three million one hundred thousand dollars,  
5 representing a huge savings to each campus and to the state; and

6 WHEREAS, in the past, the Board of Regents has provided seventy percent of the  
7 funding for LOUIS, with member institutions contributing the remaining thirty percent, a  
8 feasible amount for all; and

9 WHEREAS, LOUIS funding is uncertain for 2011, and member institutions may not  
10 have the funds to cover an increased share of this funding, especially in the face of current  
11 dramatic budget cuts, thus putting in peril essential library resources and services across the  
12 state; and

13 WHEREAS, LOUIS is essential to the functions of each of the state's public  
14 postsecondary education institutions, because without it, students would no longer be able  
15 to conduct the research for much of their course work, and faculty would no longer have  
16 access to many of the resources they need to continue to produce quality research in their  
17 fields; and

18 WHEREAS, without LOUIS, Louisiana's public postsecondary education institutions  
19 would have trouble meeting certain Southern Association of Colleges and Schools (SACS)  
20 core requirements and comprehensive standards, and the loss of SACS accreditation would  
21 negatively affect an institution's ability to award degrees and students' ability to receive  
22 financial aid and could also have a detrimental impact on its National Collegiate Athletic  
23 Association accreditation; and

24 WHEREAS, the importance of LOUIS to Louisiana's public postsecondary education  
25 institutions cannot be overstated, and it is critical that it remain an available resource for the  
26 state's higher education community.

27 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby  
28 direct the Board of Regents to restore its funding of LOUIS, the Louisiana Library Network,  
29 to at least the percentage provided for in Fiscal Year 2009-2010 and does hereby express

1 support for LOUIS as a critical component of the success of the state's public postsecondary  
2 education institutions.

3 BE IT FURTHER RESOLVED that a suitable copy of this Resolution be transmitted  
4 to the chairman of the Board of Regents and to the commissioner of higher education.
