SUMMARY OF HOUSE AMENDMENTS TO THE SENATE BILL

1. Technical.

DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

Present law in Children's Code provides definition of "legal guardianship" but does not provide rules governing legal guardianship.

Proposed law deletes definition and eliminates concept of legal guardianship.

Proposed law defines "guardianship" as the judicial placement of a child under the duty and authority of a guardian to make decisions in matters having a permanent effect on the life and development of the child as set forth in the proposed law.

Proposed law sets forth requirements of guardianship, including design to provide a permanent placement for children in need of care, case plan for children whose permanent plan is guardianship, purpose of guardianship, rights and responsibilities of the guardian, and home study report.

Proposed law sets forth procedures and requirements for motion, hearing, and order for guardianship, and for modification and termination of guardianship. Provides that if a guardian has been appointed, a petition for voluntary transfer cannot be filed and a change in guardianship is through motion to modify the guardianship.

Proposed law provides that in the performance of his duties, the guardian will be liable for his own negligence but will not be vicariously liable for his ward.
