SUMMARY OF HOUSE AMENDMENTS TO THE SENATE BILL

1. Adds provision that if a physician advertises and does not meet any of the criteria articulated in proposed law, the physician must list his qualifications for performing the advertised medical procedures in the advertisement.

DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

Proposed law adds certain advertisements by a physician holding himself out to the public in any manner as being certified by a public or private board as cause for the Louisiana State Board of Medical Examiners to refuse to issue or suspend or revoke any license or permit, or impose probationary or other restrictions on the license of the physician, unless certain criteria are satisfied.

Proposed law requires a physician to list his qualifications for performing the advertised medical procedures in his advertisement, if he advertises and does not meet any of the criteria articulated in proposed law.

Effective August 15, 2011.
