**DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE**

Proposed law requires that beginning January 1, 2013, and annually thereafter, the Department of Health and Hospitals shall submit an annual report concerning the Louisiana Medicaid Coordinated Care Network program to the Senate and House committees on health and welfare which shall include certain information as provided for in proposed law.

Proposed law requires DHH to submit all quarterly reports submitted by the coordinated care networks to the Senate Committee on Health and Welfare, House Committee on Health and Welfare, Senate Committee on Finance, and the House Committee on Appropriations.

Proposed law provides that all authority for that portion of the Louisiana Medical Assistance Program which is administered by a coordinated care program, or meets the definition of managed care pursuant to federal law or regulation, excluding those portions which provide for behavioral health services, shall terminate on December 31, 2014. After that date, the department shall administer the services encompassed by the portion terminated herein according to rules and regulations promulgated prior to the establishment of the coordinated care program within the Louisiana Medical Assistance Program.

Effective upon signature of the governor or lapse of time for gubernatorial action.
