The two areas are: (a) Orleans Parish east of the Industrial Canal and (b) all of Orleans Parish except the geographical areas east of the Industrial Canal and the area of Orleans Parish bounded by Earhart Boulevard, Carrollton Avenue, Loyola Avenue, and Iberville Street. Proposed law retains present law.

Present law, relative to the boards of commissioners for each of the two areas, provides that each board is comprised of 13 members. Present law provides that seven members are appointed by the parish chief executive officer and that they shall have expertise in certain areas outlined in present law. Proposed law retains the expertise requirement of present law and requires that three of the seven appointments be made from lists of nominations submitted by the member of the governing authority of New Orleans, the member of the La. Proposed law otherwise retains present law.
