BY SENATORS MILLS, ADLEY, ERDEY, HEITMEIER, MCPHERSON, MOUNT, SHAW AND THOMPSON

Prefiled pursuant to Article III, Section 2(A)(4)(b)(i) of the Constitution of Louisiana.

1	AN ACT
2	To amend and reenact R.S. 17:270(A) and 271(A)(2) and R.S. 32:402.1(A)(1) and (2),
3	402.2, and 408(A)(1) and (3); and to enact R.S. 32:402.1(A)(3)(c), relative to
4	requiring driver education courses, training programs, and prelicensing training
5	courses for children and adults to include teaching the economic effects of littering;
6	to name this Act the "Louisiana Increases Tourism Through Environmental
7	Responsibility Act of 2011" or "LITTER Act of 2011"; and to provide for related
8	matters.
9	Be it enacted by the Legislature of Louisiana:
10	Section 1. This Act shall be known as the "Louisiana Increases Tourism Through
11	Environmental Responsibility Act of 2011" or "LITTER Act of 2011".
12	Section 2. R.S. 17:270(A) and 271(A)(2) are hereby amended and reenacted to read
13	as follows:
14	§270. Driver education and training program for children
15	A. The State Board of Elementary and Secondary Education and the state
16	Department of Education, in consultation with the Department of Public Safety and
17	Corrections, shall establish and operate a driver education and training program in
18	each parish of this state for children who are fifteen years of age and older. The
19	program shall consist of a course of not less than eight hours of actual driving
20	experience and thirty hours of classroom instruction. A child who is in at least the
21	ninth grade and is within ninety days of his fifteenth birthday may participate in the
22	classroom instruction component of the program. The State Board of Elementary and
23	Secondary Education shall provide written notice to each city, parish, and other local
24	public school board of the requirements of this Subsection. The aims and purposes

4	§402.2. Driver improvement program for remediation
5	The Department of Public Safety and Corrections, office of motor vehicles,
6	may approve court-ordered driver remediation courses or programs, in the same
7	manner as "prelicensing training courses" are approved in R.S. 32:402.1(A)(2). All
8	such approved driver remediation courses or programs shall include instruction on
9	railroad grade crossing safety and on sharing the road with motorcycles and
10	tractor/trailer trucks and at least thirty minutes of instruction relative to organ and
11	tissue donation and relative to the economic effects of littering. The State Board
12	of Elementary and Secondary Education and the state Department of Education shall
13	develop the organ and tissue donation portion of the driver education and training
14	program in conjunction with the federally designated organ procurement
15	organization for the state of Louisiana. However, no student shall be required to take
16	the organ and tissue donation instruction if he, or his parent or tutor if the student is
17	a minor, submits a written statement indicating that such instruction conflicts with
18	his religious beliefs. The State Board of Elementary and Secondary Education
19	and the state Department of Education shall develop the economic effects of
20	littering portion of the driver education and training program in conjunction
21	with Keep Louisiana Beautiful, Inc. Prior to implementation, the Department
22	of Education shall adopt a rule relating to such litter portion of the driver
23	education and training program so developed and shall submit the rule for
24	oversight review to the House and Senate committees on transportation,
25	highways, and public works in accordance with the Administrative Procedure
26	Act. The department shall compile and maintain a list of all department-approved
27	courses which shall be delivered to all persons who are decreed by a court to be
28	traffic violators and who are ordered by a court to attend a driver improvement
29	course for remediation purposes. The court shall allow a violator to select a course

4	§408. Examination of applicants required; classes of licenses
5	A.(1) Except as otherwise provided, every applicant must pass a written
6	knowledge and skills test for a motor vehicle representative of the type of motor
7	vehicle he operates or expects to operate, or provide evidence on a form approved
8	by the department that he has successfully passed the written knowledge test and a
9	driving or skills test administered by an authorized third party. In addition to the
10	specialized knowledge and skills tests, each such examination shall include: a test
11	of: the applicant's eyesight; his ability to understand highway signs regulating,
12	warning, and directing traffic; his knowledge of railroad and highway grade crossing
13	safety; his knowledge of sharing the road with motorcycles and tractor/trailer trucks;
14	his knowledge of the economic effects of littering; and his knowledge of all
15	relevant traffic regulations.

17	(3) Each knowledge test for a Group "D" or "E" vehicle shall contain at least
18	thirty thirty-two items, exclusive of the number of items testing airbrake knowledge.
19	Not less than two of the thirty thirty-two items shall be relative to railroad and
20	highway grade crossing safety. <u>Not less than two of the thirty-two items shall be</u>
21	relative to the economic effects of littering. For each endorsement, the knowledge
22	test and the airbrake component of the basic knowledge test shall contain a number
23	of questions that is are sufficient to test the applicant's knowledge of the required
24	subject matter with validity and reliability. The applicant for a Class "A", "B", "C",
25	"D", or "E" license shall correctly answer at least eighty percent of the questions on
26	each knowledge test in order to achieve a passing score on such knowledge test. To
27	achieve a passing score on the skills test, an applicant for a Class "A", "B", "C", "D",
28	or "E" license shall demonstrate that he can successfully perform all of the required
29	skills. If an applicant for a Class "A", "B", or "C" commercial driver's license scores
