

Prior law provided that if a potential supplier wishes to submit a request for prior approval of a particular product other than a product specified in the public contract documents, he must do so no later than seven working days prior to the opening of bids.

New law retains prior law, but extends the time period from seven to 14 days prior to the opening of bids for public works projects of the New Orleans Sewerage and Water Board.

Effective upon signature of the governor or lapse of time for gubernatorial action.
