

Prior law, relative to the alcoholic beverage control law, provided for a procedure for suspending or revoking permits for dealers in beverages of high alcoholic content or low alcoholic content.

New law retains prior law and creates a mechanism for the emergency suspension of permits for dealers in beverages of high alcoholic content or low alcoholic content.

Effective August 15, 2011.

(Adds R.S. 26:93(E) and 290(E))
