

Prior law provided that the governing authority of Rapides Parish may pay a per diem to each member of the board of supervisors of Sewerage District No. 1 in an amount not to exceed \$90 for each day of attendance at meetings of the board up to and including 24 days in each year.

New law retains prior law but increases the amount of per diem from \$90 to \$150.

Effective August 15, 2011.
