
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Christopher D. Adams.

DIGEST

Present law provides adult residential care may include but is not limited to the following services: lodging, meals, medication administration, intermittent nursing services, assistance with self administration of medications, assistance with personal hygiene, assistance with transfers and ambulation, assistance with dressing, housekeeping, and laundry.

Proposed law amends present law to provide adult residential care may include but is not limited to the following services: lodging, meals, medication administration in a level 4 setting, intermittent nursing services, assistance with self administration of medications, assistance with personal hygiene, assistance with transfers and ambulation, assistance with dressing, housekeeping, and laundry.

Present law provides for four module levels of adult residential care providers.

Proposed law amends present law to provide that module Level 4 providers shall be certified for Medicaid participation and possess facility need review approval from the department.

Effective August 1, 2011.

(Amends R.S. 40:2166.3(2) and 2166.5(B)(11)(d))
