HB No. 224

Abstract: Deletes references to "employer" relative to provisions involving income assignment orders for the purposes of child support enforcement.

Present law provides for an income assignment by the court directing a payor to withhold a certain amount for current support. Provides that an employer shall not be civilly liable for honoring an income assignment order.

Proposed law retains present law except it provides for a change in terminology to allow for consistency throughout proposed law.

(Amends R.S. 46:236.3(E)(1)(a), (G), and (O))
