Repeals the statutory authority for the La. Risk Review Panel

Page 1 of 1

Present law requires the risk review panel to evaluate the risk of danger to society posed by each person convicted of a crime who is confined in a prison facility if released from confinement.

Proposed legislation repeals present law.

EXPENDITURE EXPLANATION

The proposed legislation to repeal the Louisiana Risk Review Panel will have a negligible impact on state general fund expenditures since the duties associated with the panel are currently handled by existing personnel. It should be noted that minimal savings may result from decreased travel associated with the duties of the panel.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
