HB No. 1082

**Abstract:** Requires a Class A-General retail establishment to comply with Dept. of Health and Hospitals guidelines regarding the number and location of public restrooms.

Present law requires the commissioner to promulgate rules regarding requirements related to the number and location of public restrooms to be used in conjunction with the licensed premises of each Class A-General retail permit.

Proposed law requires the Class A-General retail establishment to comply with the requirements of DHH regarding the number and location of public restrooms and to provide proof of compliance from the office of public health.

(Amends R.S. 26:71.1(1)(h))
