29 total number of homesteads in the state. As used in this Section, the term "homesteads" shall
30 mean that enumeration of adjusted homestead exemption claims filed with the assessors as

1 determined by the Louisiana Tax Commission as of March thirty-first of the current calendar

3 Section 4. Except as provided in Section 5, the state treasurer shall distribute the
4 funds herein allocated to the tax collectors of the respective parishes and to the city of New
5 Orleans.

6 Section 5. That portion of the fund for the parish of Ouachita allocated to the
7 Monroe City School Board shall be an amount which will reimburse said board, to the extent
8 available and subject to the provisions of Section 9(C) of this Act, for the taxes lost as a
9 result of homestead exemptions based on the tax rolls for the current calendar year and shall
10 be distributed directly to the city treasurer of the city of Monroe, who shall pay therefrom
11 the statutorily dedicated deductions for retirement systems. For the purpose of distribution
12 of the balance of the revenue sharing funds the state treasurer may use the amount listed on
13 the prior year Ouachita Parish tax rolls which were due the Monroe City School Board.

14 Section 6. Eleven and nine-tenths percent of all revenue sharing funds distributed
15 by the provisions of this Act, excluding such funds as are distributed directly to the city of
16 New Orleans and the amount listed on the prior year Ouachita Parish tax rolls which were
17 due the Monroe City School Board (\$1,286,005), shall form a special fund (\$, ,) to be
18 distributed as commissions to the tax collectors of the respective parishes, the city of New
19 Orleans excepted. Each such tax collector shall receive a percentage of such fund, based on
20 commissions received by him pursuant to Act 153 of the 1973 Regular Session, as provided
21 in Section 8 of this Act.

22 Section 7.A. Two and forty-four hundredths percent of all revenue sharing funds

26 be distributed to the various retirement systems which were eligible for payment pursuant
27 to Act 153 of the 1973 Regular Session, as provided in Section 8 of this Act for distribution
28 to such retirement systems, and shall make due payment thereof to each retirement system
29 in the same proportion that the statutory deduction provided by law for the system bears to
30 the total statutory deductions provided by law for all such retirement systems. For the

2 statutory deductions determined by the Public Retirement Systems Actuarial Committee as
3 per R.S. 11:103 for the previous calendar year.

19 Section 9. All remaining funds shall be allocated and distributed as follows:

20 A. Subject to the provisions of Subsection B of this Section and except as provided
 21 by Section 5, the tax collector of each parish and the city of New Orleans shall allocate and
 22 distribute, within fifteen days after receipt thereof, to the tax recipient bodies within his
 23 jurisdiction an amount available after commissions and deductions which is necessary to
 24 offset losses attributable to homestead exemptions. In any parish which had excess funds
 25 in 1977, the amount available for the reimbursement of homestead exemption losses shall
 26 be limited to the amount used for that purpose in 1977, adjusted by the percentage by which
 27 the number of homesteads in the parish increased or decreased from 1977 to 2011, together
 28 with any additional taxing bodies or millages authorized to participate on the same pro rata
 29 basis under the provisions of Section 1(a)(3), Section 1(a)(4), and Section 9(B) of this Act.
 30 This restriction shall not apply to the parish of East Carroll and to parishes in which there

1 were no excess funds in 1977. However, in the city of New Orleans the amount available
2 for the reimbursement of homestead exemption losses shall be limited to the amount used
3 for that purpose in 1977, except that the amount distributed to the Orleans Levee District
4 shall be limited solely to the amount used for the reimbursement of homestead exemption
5 losses in 1977 on its two mill tax. The remaining amount shall be adjusted by the percentage
6 by which the number of homesteads in the city of New Orleans increased or decreased from
7 1977 to 2009, together with any additional taxing bodies or millages authorized to participate
8 on the same pro rata basis under the provisions of Section 9(B) of this Act.

9 B. For purposes of this Subsection only, tax recipient bodies shall mean and include
10 any recipient of funds hereunder, but limited solely to such specified disbursements. The
11 millages listed are included solely as an identification aid for administrative purposes and
12 the new tax approved by the electorate shall be eligible for distribution hereunder, regardless

1 C.(1) If the amount distributed to the tax collector and the city of New Orleans is
2 less than the amount required to reimburse tax losses on the basis of the tax rolls of the
3 current calendar year as provided in Subsection A of this Section, the tax collector and the
4 city of New Orleans shall prorate such lesser amount among the various tax recipient bodies
5 within the parish so that the lesser amount received by each tax recipient body shall be
6 proportionate to the reduction in the total amount distributed to each parish, and the amount
7 distributed by the state treasurer to the city treasurer of the city of Monroe shall be based
8 upon similar prorating, if necessary; however, in the parish of St. Bernard, the Lake Borgne
9 Levee District shall receive a minimum of \$163,000 and the St. Bernard Port, Harbor and

13 (2) No bond millages levied to service bonds under the authority of Louisiana
14 Constitution Article VI, Section 33(B) or Article XIV, Section 14 of the Louisiana
15 Constitution of 1921 or any other constitutional or statutory authority for the issuance of
16 general obligation bonds shall share in the proceeds of this Act and the governing authority
17 of the issuing political subdivision shall levy and collect or cause to be levied and collected
18 on all taxable property in the political subdivision ad valorem taxes sufficient to pay
19 principal and interest and redemption premiums, if any, on such bonds as they mature; the
20 only exceptions to this prohibition shall be specifically included in this Subsection. In the
21 parish of Natchitoches, bond millages shall share and any tax recipient body in said parish
22 otherwise eligible to participate in the revenue sharing fund may use the funds for the
23 retirement of the principal, interest, or premium, if any, or any combination thereof, of any
24 outstanding bonded indebtedness of such tax recipient body. In the parish of Livingston the
25 millage authorized in 1975 for the parish health unit shall share as an operation and

29 #2 shall share as an operation and maintenance millage. In the parish of East Baton Rouge,
30 the BREC Capital Improvement Tax shall share as an operation and maintenance millage.

1 Bond millages may share in the parish of Sabine; however, if there are no excess funds those
2 millages levied for operation and maintenance of those taxing districts eligible for
3 reimbursement shall have priority for reimbursement to the extent that funds are available.
4 In the parish of Bossier, bond millages and operation and maintenance millages shall share
5 on a pro rata basis and the school bonds listed in Section 9(B)(3) shall share as provided
6 therein.

7 (3) In the parish of St. Tammany, the parish governing authority shall make

10 the parish of St. Tammany, the parish governing authority shall make available out of its
11 allocated funds five thousand dollars for the St. Tammany Humane Society. In the event of
12 any decrease in the state's appropriated portion of the salaries of the St. Tammany Parish
13 Registrar of Voters Office, the parish governing authority shall make available out of its
14 allocated funds a sufficient amount to replace such state funds, not to exceed \$15,537.58.
15 Of the funds allocated within the parish of St. Charles, thirty thousand dollars shall be
16 distributed to the St. Charles Department of Community Services to be used for the
17 operation of an outreach program at the St. Rose Community Center. Of the funds allocated
18 within the parish of Acadia, \$180,000 shall be distributed to the law enforcement district.

19 Section 10. In the event the distribution to the tax collector in each parish and to the
20 city of New Orleans is more than the amount necessary to satisfy the requirements of

27 respective city and parish school boards in the parish proportionate to the public school
28 population of each.

29 B. The next portion of the excess remaining after allocation and distribution to the
30 school boards, equal to the ratio that the total population of all incorporated areas in the

1 parish bears to the total parish population, shall be allocated and distributed to the respective
2 incorporated municipalities of the parish proportionate to the respective population of each.

3 C. The remaining portion of such excess, if any after allocation and distribution to
4 the school boards and incorporated areas of a parish, shall be allocated and distributed to the
5 parish governing authority.

6 D. For purposes of this Subsection only, "tax recipient bodies" shall mean and
7 include any recipient of excess funds hereunder. In the following parishes the tax collector
8 thereof, or in Orleans Parish, the city of New Orleans, within fifteen days after receipt
9 thereof, shall distribute such excess amount as follows:

19 incorporated municipalities in the parish, to be distributed to such incorporated
20 municipalities pro rata on a population basis. However, no less than twenty-five percent of
21 the funds distributed to the parish governing authority in this Paragraph shall be utilized for
22 existing drainage projects and for providing for additional pumps for those projects and
23 excluding normal labor operating costs and other normal operational costs; such funds may
24 also be used to repair parish property damaged by storms.

25 (5) In the parishes of Acadia, Bienville, East Feliciana, Franklin, Jackson, St.
26 Helena, St. James, Vernon, Washington, and West Feliciana, fifty percent thereof to the
27 parish governing authority, twenty-five percent thereof to the parish school board except that
28 in the parish of Washington, which has a dual parish and city school administration, the
29 twenty-five percent to the school boards shall be prorated between the parish and city school
30 systems on the basis of public school population, and twenty-five percent thereof to the

1 incorporated municipalities in the parish, to be distributed to such incorporated
2 municipalities pro rata on a population basis, except that in the parish of West Feliciana the
3 initial fifteen thousand dollars of such excess shall be retained by the sheriff and the
4 twenty-five percent for incorporated municipalities shall be distributed to the town of St.
5 Francisville. In the parish of East Feliciana, the initial twenty-five thousand dollars of such
6 excess shall be retained by the sheriff.

8 the public school population of the parish bears to the total population of the parish shall be
9 allocated and paid to the Jefferson Davis Parish School Board, ten thousand dollars shall be
10 allocated and paid to the Assessor for Jefferson Davis Parish, and of the remainder of the
11 excess, fifty percent thereof to the parish governing authority and fifty percent thereof to the

13 to each incorporated municipality and the balance thereof to be distributed to such
14 incorporated municipalities pro rata on a population basis.

22 (8) In the parishes of Catahoula and Concordia, forty-four percent thereof to the
23 parish governing authority, thirty-three percent thereof to the parish school board, and
24 twenty-three percent thereof to the incorporated municipalities in the parish, to be distributed
25 to such incorporated municipalities pro rata on a population basis; prior to the distribution
26 of any excess funds in Concordia Parish, the parish libraries therein shall be reimbursed an
27 amount equal to any increase in the sheriff's commission deducted from library taxes over
28 and above the percentage authorized to be deducted in the 1975 calendar year; and the
29 balance of the excess shall be distributed as provided above in this Paragraph. However, in
30 the parish of Catahoula, the tax collector shall retain the sum of seventeen thousand dollars

1 of the excess, in addition to the commission provided in Section 6 of this Act, and the
2 balance of the excess shall be distributed as provided above in this Paragraph; and further,

18 thirty-three and one-third percent thereof to the incorporated municipalities in the parish, to
19 be distributed to such incorporated municipalities pro rata on a population basis. Further,
20 in the parish of Evangeline the additional excess funds received by the school board as a
21 result of the change in percentages from those provided in Act 719 of the 1975 Regular
22 Session of the Louisiana Legislature shall be used solely for the purpose of restoring the
23 salaries or benefits to those school board employees to the same level or amount as were
24 paid prior to the recent reductions or decreases in such salaries or benefits; however, if the
25 excess funds are insufficient to restore the salaries or benefits to their former level or
26 amount, then the excess funds shall be distributed on a pro rata basis. In the parish of

11 to an aggregate of ten percent of the excess as agreed to by resolution passed by the parish
12 governing authority before receiving its part designated in this Paragraph, by resolution
13 passed by the parish school board before receiving its part as designated in this Paragraph,
14 and a resolution from each municipality in said parish; each of the above bodies in Claiborne

26 Extraordinary Session except:

27 (a) If the amount of excess funds is insufficient to supply the amounts distributed
28 in 1972 to each incorporated municipality in the parish, the amount to be allocated and
29 distributed to each incorporated municipality shall be reduced by the ratio that the amount
30 of excess funds distributed to it in 1972 under Act 4 of the 1972 Extraordinary Session bore

1 to the total amount of excess funds then so distributed to all of the incorporated
2 municipalities in the parish; or

3 (b) If the amount of such excess funds exceeds the amount necessary to supply the
4 same amounts of excess funds distributed in 1972 to each incorporated municipality in the
5 parish, the excess over the amounts distributed in 1972 shall be allocated and distributed to
6 each incorporated municipality in the parish in the ratio that the population in each bears to
7 the total population of all of the incorporated municipalities in the parish.

8 However, in the parish of Pointe Coupee, the sheriff shall retain the sum of ten
9 thousand dollars of such excess amount, in addition to the commission provided in Section

12 Section 13. The state treasurer shall distribute one-third of the total amount herein
13 allocated to the parishes from the revenue sharing fund to the parish tax collector, or in
14 Orleans Parish to the city of New Orleans, not later than the first day of December in each
15 year, one-third thereof not later than the fifteenth day of March in each year and one-third
16 thereof not later than the fifteenth day of May in each year, and each one-third of the total
17 allocation shall be distributed in accordance with the provisions of Sections 6, 7, 9, and 10
18 of this Act; however, the legislative auditor may authorize the granting of additional sums
19 due any recipient in advance upon a showing that the advance receipt of such funds is
20 reasonably necessary. If the state treasurer does not distribute said fund on or before the
21 dates specified in this Act, any interest or other income derived by the state from the parish
22 allocations, earned prior to the distribution to the parishes, shall be paid over a pro rata basis
23 together with the principal amounts due the parishes under the provisions of this Act. Any
24 interest or other income derived by the parish tax collector or the city of New Orleans from
25 the investment or other use of such total parish allocations received from the state treasurer,
26 earned prior to the distributions within the parish as required by the foregoing provisions of
27 this Act, shall be paid over a pro rata basis together with the principal amounts due the local
28 recipients under the provisions of this Act upon distribution thereto, and the parish tax
29 collectors or the city of New Orleans may retain only investment income earned on that
30 portion of the total parish allocation to which they are otherwise entitled under the provisions

1 of this Act. In light of the fact that all assessment roll figures will not be available in time
2 to base the December distribution by the treasurer on current figures, the distribution of
3 funds on the first day of December pursuant to this Act shall be based on the distribution
4 figures for Fiscal Year 2010-2011. The remaining two distributions on the fifteenth day of
5 March and the fifteenth day of May shall be based on current figures for Fiscal Year 2011-
6 2012, and such distributions shall be adjusted to compensate for the differences resulting in
7 the use of the Fiscal Year 2010-2011 figures for the December distribution.

8 Section 14. On or before such date as shall be established by the state treasurer, each
9 tax collector, the city of New Orleans, and the city treasurer of the city of Monroe annually
10 shall file with the state treasurer, on such forms as the state treasurer may require, all
11 information necessary to the computation of the funds to be distributed within the parishes,
12 including, but not limited to, a listing of all such local entities seeking eligibility for funds
13 as a tax recipient body under the qualifications set out in Section 1(a), all new millages of
14 such tax recipient bodies as are listed in Section 9(B), and all remaining authorities on the
15 tax rolls which are otherwise ineligible to participate in the distribution of revenue sharing
16 funds as tax recipient bodies. The listing shall include such verification for eligibility as
17 may be required by the state treasurer and, notwithstanding the provisions of Section 12
18 hereof, no revenue sharing funds shall be distributed prior to receipt and acceptance by the
19 state treasurer of such information and verification. The same authorities shall in the same
20 manner submit to the state treasurer a statement of the amount of revenue sharing funds
21 distributed to each recipient of such funds, including the amount deducted for sheriffs'
22 commissions and for retirement system contributions and shall state clearly on such forms
23 the amount of the distribution to each such recipient which is derived from excess funds and
24 the amount of such distribution which represents reimbursement for tax losses by reasons
25 of the homestead exemption. Such statement shall also include the amount of any revenue
26 sharing funds which remain to be distributed and the recipients to which such remaining
27 funds will be distributed.

HB No. 1091

Abstract: Provides relative to the Revenue Sharing Fund.

Paragraphs (1) through (7) of this digest contain no changes from FY 2011-2012 and only restate the general provisions of last year's distribution; all changes for FY 2012-2013 are contained in Paragraphs (8) and (9) of this digest.

- (1) Provides for the annual allocation and distribution of the state revenue sharing fund in the amount of \$90,000,000 for FY 2012-2013. The parish allocation is determined by the parish's percentage of the total state population (80% of the revenue sharing fund) and the parish's percentage of the total number of homesteads in the state (20% of the revenue sharing fund).
- (2) Requires the state treasurer to remit the total parish allocation in three allotments no later than Dec. 1, March 15, and May 15, and further requires the sheriff to distribute such funds to the tax recipient bodies within 15 days after receipt. Authorizes the sheriff to distribute the first payment based on the previous year pending receipt of the current tax rolls and requires adjustments on the final two payments.
- (3) The constitution mandates payment, on a first priority basis from the parish allocation, of the sheriff's commission, retirement systems' deductions, and reimbursement to eligible tax recipient bodies for ad valorem taxes lost as a result of the homestead exemption; any monies remaining in the parish allocation after such payments are made are referred to as "excess funds" and are distributed on the basis of a local formula contained in the Act.
- (4) Provides that in any parish which had excess funds in 1977, except East Carroll, the amount available for the reimbursement of homestead exemption losses shall be limited to the amount used for that purpose in 1977, adjusted by the percentage by which the number of homesteads in the parish increased from 1977 to 2011. Prohibits participation of new millages levied after Jan. 1, 1978, unless authorized to participate on the same pro rata basis by the local legislative delegation.
- (5) Prohibits general obligation bond millages from participating in revenue sharing and restates the constitutional mandate that the issuing authority levy sufficient millage on all taxable property to pay annual debt requirements.
