HB No. 1105

Abstract: Authorizes the governing authority of certain parishes to pay a commissioner's fee to governing board members of hospital service districts located within the boundaries of the parish.

Present law generally authorizes police juries to form and create hospital service districts within the respective parishes, or with agreement among police juries concerned, to combine two or more parishes into a single hospital service district. Provides generally that hospital service districts are governed by a board of five commissioners. Provides exceptions. Present law generally authorizes parish governing authorities to permit a per diem to board members in an amount of not less than \$25 nor more than \$40 for attendance at meetings of the commission. Provides exceptions.

Proposed law retains present law and additionally authorizes the governing authority of any parish with a population of not less than 135,000 and not more than 190,000 persons to permit each member of the board of commissioners of any hospital service district located within the boundaries of the parish to receive a commissioner's fee of not more than \$200 for each day of attendance at meetings of the board. Limits payments to 12 meetings per year and provides that payments will be made out of the funds of the hospital service district.

Effective July 1, 2012.
