HB No. 357

Abstract: Redistricts the justice of the peace courts and constable districts in LaSalle Parish.

Present law provides for five justice of the peace courts in LaSalle Parish. Each elects a justice of the peace and a constable.

Proposed law changes the territorial jurisdiction of the five justice of the peace courts in LaSalle Parish and therefore the election districts for justice of the peace and constable. (See attached map and statistics.)

Proposed law provides that the districts provided in proposed law shall be effective for election purposes with the opening of the qualifying period for the 2014 primary election for justice of the peace and constables and that the persons elected to the offices of justice of the peace and constable for such justice of the peace courts at the next regularly scheduled election and their successors shall be elected from the districts provided in proposed law. Proposed law provides that the districts provided in proposed law shall be effective for all other purposes on Jan. 1, 2015.

Proposed law specifies that precincts referenced in district descriptions are those precincts identified as Voting Districts (VTDs) in the 2010 Census Redistricting TIGER/Line Shapefiles for the Parish of LaSalle, state of La. Also specifies that if any such precinct has been subdivided by action of the parish governing authority on a nongeographic basis or subdivided by action of the parish governing authority on a geographic basis in accordance with present law, the enumeration of the general precinct designation shall include all nongeographic and all geographic subdivisions thereof. Further provides that the territorial limits of the districts as enacted shall continue in effect without change regardless of any changes made to the precincts by the parish governing authority.

Effective upon signature of governor or lapse of time for gubernatorial action.

Population data in the summaries accompanying this digest are derived from 2010 Census Redistricting Data (Public Law 94-171), Summary File for Louisiana. Population data, statistical information, and maps are supplied for purposes of information and analysis and comprise no part of proposed law.
