Subject: Disclose parish taxpayer contact information for jury rolls **Analyst:** Deborah Vivien

REVENUE DEPARTMENT RR NO IMPACT GF EX See Note

Authorizes the disclosure of certain taxpayer information to the La. Clerks' of Court Association

Current law limits the disclosure of taxpayer information by the Department of Revenue (LDR) except in the administration and enforcement of state or local tax laws. Specific exceptions are included in the statute.

Proposed law adds the exception that LDR may disclose to the LA Clerks of Court Association (who in turn may provide a list to the district clerk of court upon request) a parish resident’s name, address and last four digits of social security number solely for assisting the district clerk of court in constructing and maintaining jury rolls. The jury rolls will be considered public record though the original list provided to the LA Clerks of Court Association will not.

EXPENDITURE EXPLANATION

Depending on the type of data output that would need to be generated for the Clerks of Court Association, the Department of Revenue could incur several thousand dollars of one-time staff time costs implementing the information flow contemplated by the bill. This expense would typically be absorbed within current budget resources, unless incremental funding were required.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
