(ii) The parties have had a reasonable opportunity to obtain discovery on class certification issues, on such terms and conditions as the court deems necessary, which may include expert witness testimony or evidence. The admissibility of expert witness testimony or evidence for class certification purposes shall also be

1 governed by Article 1425(F), although the court in its discretion may change the deadlines
2 for filing or hearing a motion as set forth in Article 1425(F) provided such deadlines are
3 prior to or contemporaneous with the class certification hearing.
