

(KEYWORD, SUMMARY, AND DIGEST as amended by Senate committee amendments)

ETHICS. Excludes persons whose public service is limited to certain professional services from the provisions of the Code of Governmental Ethics.

DIGEST

Present law (Code of Governmental Ethics) provides for ethical standards for elected officials, public employees, and certain other persons, including prohibited conflicts of interest involving payments from nonpublic sources, prohibited participation in transactions, prohibited contractual arrangements, prohibited gifts, abuse of office, and nepotism. Provides definitions and exceptions.

Present law provides that for purposes of the Code of Governmental Ethics, the term "public employee" means anyone, whether compensated or not, who is: (a) an administrative officer or official of a governmental entity who is not filling an elective office; (b) appointed by any elected official when acting in an official capacity, and the appointment is to a post or position wherein the appointee is to serve the governmental entity or an agency thereof, either as a member of an agency, or as an employee thereof; (c) engaged in the performance of a governmental function; or (d) under the supervision or authority of an elected official or another employee of the governmental entity. Present law specifically provides that "public employee" does not mean anyone whose public service is limited to periodic duty in the National Guard pursuant to certain provisions of federal law (32 U.S.C.A. 502) relative to required training, drills, field exercises, and specified other duties. Present law specifies that a public employee shall be in such status on days on which he performs no services as well as days on which he performs services and that the termination of any particular term of employment of a public employee shall take effect on the day the termination is clearly evidenced.

Proposed law excludes from the definition of "public employee" and therefore from the applicable provisions of the ethics code a person whose public service is limited to: (a) a contract to provide abstracting and land surveying, (b) a contract to provide professional services as a certified public accountant, (c) periodic duty in the National Guard or (d) a contract to provide professional services as defined in R.S. 38:2310(7).

(Amends R.S. 42:1102(18)(b))
