

SENATE SUMMARY OF HOUSE AMENDMENTS

SB 79 By Senator Morrish

KEYWORD AND SUMMARY AS RETURNED TO THE SENATE

WEIGHTS/MEASURES. Authorizes ready-mixed concrete trucks to exceed maximum allowable gross vehicle weight under certain conditions. (8/1/12)

SUMMARY OF HOUSE AMENDMENTS TO THE SENATE BILL

1. Bureau amendments.

DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

Proposed law prohibits assessment of a penalty on any truck hauling ready-mixed concrete which exceeds its maximum allowable gross weight, as determined by law, provided the total excess weight is ten percent or less of the truck's maximum allowable gross weight, the truck contains a certificate evidencing its most recent mixer chip-out of a build-up occurred within the previous ninety days, the truck does not exceed the posted load while crossing a posted bridge, the truck is not operating on the interstate system, and no tire on the truck exceeds its tire weight rating.

Proposed law provides that if the truck's total excess weight is greater than ten percent of the truck's maximum allowable gross weight, as determined by law, the truck shall be assessed a penalty calculated on the total amount by which the truck's weight exceeds its maximum permissible gross weight, as determined by law.

Proposed law applies to a ready-mixed concrete truck which is defined as a vehicle designed exclusively to transport or manufacture ready-mixed concrete and includes a vehicle designed exclusively to transport and manufacture ready-mixed concrete or a concrete pump truck, engaged in hauling ready-mixed concrete.

Proposed law sunsets in two years and is effective from August 1, 2012, through July 31, 2014.

Effective date is August 1, 2012.
