

AN ACT

To provide for the establishment and reestablishment of agency ancillary funds, to be specifically known as internal service funds, auxiliary accounts, or enterprise funds for certain state institutions, officials, and agencies; to provide for appropriation of funds; and to regulate the administration of said funds.

Be it enacted by the Legislature of Louisiana:

Section 1. There are hereby appropriated the amounts shown below, which shall be payable out of the state general fund, to the extent of funds deposited, unless otherwise specified, for the establishment and reestablishment of agency ancillary funds which shall be specifically known as internal service funds, auxiliary accounts, or enterprise funds. The monies in each fund shall be used for working capital in the conduct of business enterprises rendering public service, auxiliary service, and interagency service.

In the conduct of each such business, receipts shall be deposited in the state treasury and disbursements made by the state treasurer to the extent of the amount deposited to the credit of each ancillary fund, for the Fiscal Year 2012-2013. All funds appropriated herein shall be expended in compliance with the public bid laws of the state.

Section 2.A. Except as otherwise provided by law or as herein otherwise provided, any fund equity resulting from prior year operations shall be included as a resource of the fund from which the ancillary fund is directly or indirectly derived.

B. Funds on deposit with the state treasury at the close of the fiscal year are authorized to be transferred to each fund respectively, as equity for Fiscal Year 2013-2014.

All unexpended cash balances as of June 30, 2013, shall be remitted to the state treasurer on or before August 14, 2013. However, savings resulting from executive orders shall be remitted to the state treasurer for deposit into the state general fund prior to the end

1 of the fiscal year. If not reestablished in the subsequent year's Act, the agency must liquidate
2 all assets and return all advances no later than August 14, 2013.

3 C.(1) The program descriptions contained in this Act are not part of the law and are
4 not enacted into law by virtue of their inclusion into this Act.

5 (2) Unless explicitly stated otherwise, each of the program objectives and the
6 associated performance indicators contained in this Act shall reflect the key performance
7 standards to be achieved by the 2012-2013 Fiscal Year.

8 Section 3. All money from federal, interagency transfers, statutory dedications, or
9 fees and self generated revenues shall be available for expenditure in the amounts herein
10 appropriated.

11 Any increase in such revenues shall be available for allotment and expenditure by
12 an agency on approval of an increase in the appropriation by the commissioner of
13 administration and the Joint Legislative Committee on the Budget. Any increase in such
14 revenues for an agency without an appropriation from the respective revenue source shall
15 be incorporated into the agency's appropriation on approval of the commissioner of
16 administration and the Joint Legislative Committee on the Budget.

17 Section 4.A. The figures in parentheses following the designation of a budget entity
18 are the total authorized positions for that entity. The number of employees approved for each
19 agency, as a result of the passage of this Act, may be increased by the commissioner of
20 administration when sufficient documentation is presented and the request is deemed valid.
21 However, any request which exceeds five positions shall be approved by the commissioner
22 of administration and the Joint Legislative Committee on the Budget.

23 B. The budget request of any agency with an appropriation level of thirty million
24 dollars or more shall include within its existing table of organization positions which
25 perform the function of internal auditing.

26 Section 5. The following definition is provided for the terms of this Act: "Working
27 Capital" shall be considered the excess of current assets over current liabilities on an accrual
28 basis.

29 Section 6. Should any section, subsection, clause, sentence, phrase, or part of the Act
30 for any reason be held, deemed, or construed to be unconstitutional or invalid, such decisions
31 shall not affect the remaining provisions of the Act, and the legislature hereby declares that

it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part thereof, irrespective of the fact that one or more of the sections, subsections, clauses, sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the provisions of this Act are hereby declared severable.

Section 7. Internal Service Funds. These funds account for the financing of goods or services provided by one department or agency to other departments or agencies of the governmental unit, or to other governmental units, on a cost-reimbursement basis. Excess cash funds, excluding cash funds arising from working capital advances, shall be invested by the state treasurer with the interest proceeds there from credited to each account and shall not be transferred to the state general fund.
