

New law provides that beginning July 1, 2013, the office of motor vehicles of the DPS&C shall provide a method for an applicant for a driver's license to include a special endorsement code to indicate whether applicant has been issued a lifetime hunting or fishing license pursuant to R.S. 56:649.1 et seq., a certificate of completion of firearm and hunter education pursuant to R.S. 56:699.5, and a certificate of completion of boating safety education issued pursuant to R.S. 34:851.36.

Provides inclusion of such special endorsement codes are solely at the option of the applicant for a driver's license.

Provides that possession of a driver's license which includes such special endorsement code satisfies any requirement to possess and exhibit such licenses or certificates.

Effective August 1, 2012.

(Adds R.S. 32:410(A)(6))
