

Existing law authorizes DOTD to develop and maintain a statewide digital geospatial database.

New law requires DOTD to develop and maintain a statewide digital geospatial database for topographic mapping with the assistance of other state agencies and departments.

New law requires DOTD to submit a written report to the House and Senate committees on transportation, highways, and public works providing for a program and plan of implementation for the development and maintenance of a statewide digital geospatial database for topographic mapping no later than Dec. 31, 2012.

Effective August 1, 2012.

(Amends R.S. 48:36)
