

Prior law provided that an action against a foreign corporation or foreign limited liability company licensed to do business in this state shall be brought in the parish where its "primary business office" is located as designated in its application to do business in the state, or, if no such designation is made, then in the parish where its primary place of business in the state is located.

New law retains prior law except it specifies that the action shall be brought in the parish of the "principal business establishment" of the foreign corporation or limited liability company.

Effective August 1, 2012.
