

Prior law provided that a person shall file a statement of his claim or privilege within 30 days after filing of the notice of termination, if notice of contract is filed properly and the privilege is granted by R.S. 9:4802, or within 60 days after filing of the notice of termination for others.

Prior law provided that a claimant under the Private Works Act must file suit within one year after the expiration of the time established by R.S. 9:4822.

New law changes prior law to require a claimant under the Private Works Act to file suit to enforce his claim or privilege within one year after filing his statement of claim or privilege. Further provides for a change in terminology to allow for consistency throughout prior law.

Provisions of Section 1 of this Act are effective on Aug. 1, 2013. Provisions of Section 2 of this Act are effective Aug. 1, 2012.
