EXPENDITURE EXPLANATION

Local governmental expenditures may increase by approximately \$125,000 annually as a result of this measure.

Based on salary information provided by the Louisiana Clerks of Court Association, the automobile expense allowance for each Clerk of Court may increase expenditures of each respective Clerk's office by approximately:

- 1) Bienville \$17,300
2) Bossier 18,900
3) Caddo 20,500
4) Claiborne 17,300
5) DeSoto 16,400
6) Lincoln 17,300
7) Webster 17,300
Total \$125,000

We contacted two Clerks of Court that currently receive the automobile expense allowance. They informed us that they do not include the personal expense allowance (as provided by R.S. 13:732(H)) as part of the Clerk's annual salary when calculating the automobile expense allowance. This current practice was also confirmed by the Clerks of Court Association.

We did not factor in the personal expense allowance in the figures above. If the personal expense allowance is included as part of the annual salary, the automobile expense allowance will increase by a minimal amount.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
