TRAFFIC. Prohibits any device from being used to access, read, or post to a social networking site while operating a motor vehicle. (8/1/13)

1 AN ACT

2 To amend and reenact R.S. 32:300.5(A), relative to driver distractions; to prohibit social
3 networking while operating a motor vehicle; to provide for penalties; and to provide
4 for related matters.

5 Be it enacted by the Legislature of Louisiana:

6 Section 1. R.S. 32:300.5(A) is hereby amended and reenacted to read as follows:

7 §300.5. Use of certain wireless telecommunications devices for text messaging and
8 **social networking** prohibited

9 A.(1) Except as provided in Subsection B of this Section, no person shall
10 operate any motor vehicle upon any public road or highway of this state while using
11 a wireless telecommunications device to write, send, or read a text-based
12 communication. For purposes of this Section, a person shall not be deemed to be
13 writing, reading, or sending a text message if the person reads, selects, or enters a
14 telephone number or name in a wireless telecommunications device for the purpose
15 of making a telephone call.

16 (2) **No person shall operate any motor vehicle upon any public road or**
17 **highway of this state while using a wireless telecommunications device to access,**

read, or post to a social networking site.

(3)(a) "Wireless telecommunications device" means a cellular telephone, a text-messaging device, a personal digital assistant, a stand alone computer, or any other substantially similar wireless device that is readily removable from the vehicle and is used to write, send, or read text or data through manual input. A "wireless telecommunications device" shall not include any device or component that is permanently affixed to a motor vehicle. It does not include citizens band radios, citizens band radio hybrids, commercial two-way radio communication devices, or electronic communication devices with a push-to-talk function.

(b) "Write, send, or read a text-based communication" means using a wireless telecommunications device to manually communicate with any person by using a text-based communication referred to as a text message, instant message, or electronic mail.

(c) "Access, read, or post to a social networking site" means using a wireless telecommunications device to view any web-based service that allows individuals to construct a profile within a bounded system, articulate a list of other users with whom they share a connection, and communicate with other members of the site.

DIGEST

Present law prohibits any person from operating a motor vehicle upon any public road or highway of this state while using a wireless telecommunications device to write, send, or read a text-based communication.

Proposed law retains present law and further prohibits any person from operating a motor vehicle upon any public road or highway of this state while using a wireless telecommunications device to access, read, or post to a social networking site.

Proposed law defines the "access, read, or post to a social networking site" as using a wireless telecommunications device to view any web-based service that allows individuals to construct a profile within a bounded system, articulate a list of other users with whom they share a connection, and communicate with other members of the site.

Present law provides that any violation of present law shall constitute a moving violation.

Proposed law retains present law and provides that using a wireless telecommunications device to access, read, or post to a social networking site shall constitute a moving violation.

Effective August 1, 2013.

(Amends R.S. 32:300.5(A))
