B. Any person applying for, accepting, or holding a license or permit to practice medicine in this state shall be deemed, notwithstanding any privilege of confidentiality, to have given his authorization and consent to the disclosure to the board, by any physician or other health care provider and by any health care institution, of any and all medical records and information pertaining to such person's diagnosis, evaluation, treatment, and prognosis for any physical or mental condition, disease, illness, deficiency, or infirmity, when the board is acting upon a written complaint and it has reasonable cause to believe that his fitness and ability to practice medicine with reasonable skill and safety may be impaired by mental illness or deficiency, or physical illness, including but not limited to deterioration through the aging process or the loss of motor skills, and/or excessive use or abuse of drugs, including alcohol; however, any records or information obtained by the board pursuant to this Section shall not constitute public records and shall be maintained in confidence by the board until and unless such records or information are admitted into the record of proceedings before the board pursuant to R.S. 37:1285. However, during an adjudication proceeding the board may admit into the record of the proceeding any medical records or other information which may be necessary in order for the board to render a final decision, but such medical records or other information admitted into the record of the proceeding shall remain confidential and shall not constitute a public record.

25 §1283. Reports by board

The board shall report annually to the governor <u>and to the House and Senate</u> <u>committees on health and welfare</u> upon the condition of the practice of medicine in the state, make recommendations for the improvement of the practice, and send a

1 record of the proceedings of the board during the year, together with the names of 2 all physicians to whom the board issued licenses during the year. 3 4 §1285.1. Hearing panels 5 B. At the direction of the board, a hearing panel, consisting of one two or 6 more board members and totaling less than a quorum, may hear the charges and 7 8 submit written findings, conclusions, and recommendations to the board to consider 9 in arriving at its decision. 10 11 D. The decision of a majority of a quorum shall be adopted as the final 12 decision of the board. The board shall adopt a final decision only with the 13 concurrence of a majority of the board members present and voting, provided at least 14 four board members participate and vote. A member of the board who serves on a 15 hearing panel shall not participate in the board's deliberations or final decision with 16 respect to the subject matter of such panel, nor shall said such member be considered 17 in determining a quorum for a vote on the final decision of the board. 18 E. The board shall destroy all records or other evidence of the existence of 19 complaints upon which the board has not taken any formal or informal action after 20 five years from the date the complaint was filed with the board. 21 Section 2. This Act shall become effective upon signature by the governor or, if not 22 signed by the governor, upon expiration of the time for bills to become law without signature 23 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If 24 vetoed by the governor and subsequently approved by the legislature, this Act shall become 25 effective on the day following such approval.

Lorusso HB No. 273

Abstract: Provides relative to reports, records, and adjudicatory functions of the La. State Board of Medical Examiners.

<u>Present law</u> creates the La. State Board of Medical Examiners (board) and authorizes this body to regulate the practice of medicine in the state. <u>Proposed law</u> retains <u>present law</u> and revises or adds to various provisions addressing reports, records, and adjudicatory functions of the board.

<u>Present law</u> requires the board to submit an annual report to the governor on the condition of the practice of medicine in the state which includes recommendations for the improvement of the practice, a record of the proceedings of the board during the year, and the names of all physicians to whom the board issued licenses during the year. <u>Proposed law</u> retains <u>present law</u> and adds the legislative committees on health and welfare as entities to which the board shall also provide the annual report.

<u>Proposed law</u> changes the number of members which constitutes a quorum of the board $\underline{\text{from}}$ three $\underline{\text{to}}$ four.

<u>Proposed law</u> provides that the board shall act only with the concurrence of a majority of board members present and voting, provided at least four board members participate and vote.

<u>Proposed law</u> authorizes the board to admit into the record of an adjudication proceeding any medical records or other information which may be necessary in order for the board to render a final decision, and stipulates that such medical records or other information admitted into the proceeding's record shall remain confidential and not constitute a public record.

<u>Present law</u> provides that at the direction of the board, a hearing panel consisting of one or more board members and totaling less than a quorum may hear charges and submit written findings, conclusions, and recommendations to the board to consider in arriving at its decision. <u>Proposed law</u> makes the following changes relative to hearing panels:

- (1) Changes the number of board members which may comprise a hearing panel <u>from</u> one or more <u>to</u> two or more.
- (2) Deletes provision stipulating that pursuant to consideration of a hearing panel's findings, the decision of a majority of a quorum shall be adopted as the final decision of the board.
- (3) Adds provision stipulating that pursuant to consideration of a hearing panel's findings, the board shall adopt a final decision only with the concurrence of a majority of the board members present and voting, provided at least four board members participate and vote.

<u>Proposed law</u> requires the board to destroy all records or other evidence of the existence of complaints upon which the board has not taken any formal or informal action after five years from the date the complaint was filed with the board.

Effective upon signature of governor or lapse of time for gubernatorial action.

(Amends R.S. 37:1267, 1278(B), 1283, and 1285.1(B) and (D); Adds R.S. 37:1285.1(E))

Summary of Amendments Adopted by House

Committee Amendments Proposed by <u>House Committee on Health and Welfare</u> to the original bill.

- 1. In provisions of <u>proposed law</u> requiring concurrence of a majority of La. State Board of Medical Examiners (board) members in order for the board to act, clarified that such concurrence must be of a majority of board members present and voting.
- 2. Deleted provision of <u>proposed law</u> authorizing the board to include a medical finding on which a decision concerning fitness of a person to practice medicine is based in the written record of the decision. Added in lieu thereof a provision authorizing the board to admit into the record of an adjudication proceeding any medical records or other information which may be necessary in order for the board to render a final decision, and stipulating that such medical records or other information admitted into the record of the proceeding shall remain confidential and not constitute a public record.
- 3. Deleted provisions of <u>proposed law</u> stipulating that a public report of a final decision by the board shall only include a statement of the basis and reasons for the decision, and that any other parts of the record other than those which are disclosed in a public report of the final decision shall not constitute a public record unless the physician seeks judicial review of the board adjudication.
- 4. Deleted provisions of <u>proposed law</u> stipulating that informal disposition of adjudication by the board shall not constitute a public record, but that the board shall have the authority to report the disposition to the National Practitioner Data Bank if notification of such disposition is required by federal law.
- 5. Deleted provision of <u>proposed law</u> prohibiting a hearing panel of the board from being convened concerning an administrative complaint if more than one year has elapsed since the date the complaint was lodged with the board.
- 6. Deleted provision of <u>proposed law</u> stipulating that in no case shall more than one year elapse from the date an administrative complaint is filed to when a final decision is rendered by the board.
- 7. Revised provision of <u>proposed law</u> relative to compulsory destruction of records to require that the board destroy all records or other evidence of the existence of complaints upon which the board has not taken any formal or informal action after five years from the date the complaint was filed with the board.

House Floor Amendments to the engrossed bill.

1. Made technical changes.
