HB No. 48

Abstract: Redefines "alcoholic beverage outlet" for purposes of the crime of possession of a firearm on the premises of an alcoholic beverage outlet.

Present law prohibits any person from possessing a firearm while on the premises of an alcoholic beverage outlet and provides for criminal penalties including a maximum fine of \$500, a term of imprisonment for not more than six months, or both.

Present law contains exceptions for the owner or lessee of the establishment, an employee of the owner or lessee, or a law enforcement officer acting in the performance of his official duties.

Proposed law retains these provisions of present law.

Present law defines an "alcoholic beverage outlet" as any commercial establishment in which alcoholic beverages of either high or low alcoholic content are sold in individual servings for consumption on the premises, whether or not such sales are a primary or incidental purpose of the business of the establishment.

Proposed law changes present law to define "alcoholic beverage outlet" as any commercial establishment in which alcoholic beverages of either high or low alcoholic content are sold in individual servings for consumption on the premises and which has been issued a Class A-General retail permit.
