HB No. 657

**Abstract:** Requires N.O. Dept. of Safety and Permits to make certain information available on the Internet and bases certain appeal delays upon the posting on the Internet.

Proposed law requires the New Orleans Dept. of Safety and Permits, including the Board of Building Standards and Appeals and any other board within the department, to make available to the public on the Internet all information pertaining to the regulatory activities of the office, including but not limited to information about all applications received; inspections made; tests and examinations given or to be given; zoning verifications; licenses, permits, certifications, or other credentials and renewals thereof issued, denied or refused, revoked, suspended, or cancelled; notices issued; enforcement actions taken or to be taken; determinations made or to be made; and demolitions proposed or considered, authorized, denied or refused, and action taken.

Proposed law provides that with respect to any document that is required to be posted on the Internet pursuant to proposed law, the following shall also apply:

- (1) Such posting shall be made within three business days after the decision.
- (2) The Internet posting shall include indication of the date and time that the document was initially posted.
- (3) If such posting is not timely made, no appeal delays shall commence on any decision until such posting is made.
