

(KEYWORD, SUMMARY, AND DIGEST as amended by Senate committee amendments)

PUBLIC HEALTH. Memorializes congress to study the causes, effects, prevention, and treatment of early mortality syndrome in the national and international shrimp industry.

DIGEST

Memorializes the Congress of the United States to study the causes, effects, prevention, and treatment of early mortality syndrome in the national and international shrimp industry and take all appropriate actions necessary to fully protect the shrimp industry in Louisiana and other states from this disease.

Summary of Amendments Adopted by Senate

Committee Amendments Proposed by Senate Committee on Commerce, Consumer Protection, and International Affairs to the original bill

1. Removes language memorializing Congress to ban all imported shrimp from several countries.
2. Adds language memorializing Congress to study the causes, effects, prevention, and treatment of early mortality syndrome in the national and international shrimp industry and take all appropriate actions necessary to fully protect the shrimp industry in Louisiana and other states from this disease.
