28 D.(1) Should a tax collector fail to timely remit the monies due to the

3 jurisdiction. In support of such demand, the board of trustees of the retirement
4 system shall submit a resolution to the state treasurer certifying which jurisdiction's
5 tax collector is delinquent in payment, the amount owed by such jurisdiction, and the
6 identity of any designee or designees authorized to act on behalf of the retirement
7 system in making such demand. Pursuant to such demand, before distribution of any

13 sums due to the retirement system from any parish, city, or other governmental
14 entity, regardless of when the deficiency initially arose. Such remedies shall be
15 available in addition to any other remedy available under law. The failure of the
16 board of trustees to make demand for payment from revenue sharing funds pursuant
17 to the provisions of this Subsection shall not constitute a waiver of the right of the
18 retirement system to require such payment or to make demand upon the state
19 treasurer for payment from subsequent revenue sharing funds.
